

# Chicago Evictions Data

---

Release 1 of the Chicago Evictions data, May 16, 2019.

This archive includes:

- Methodology, file named: `chicago_evictions_methodology_release_1.pdf`.
- Four eviction data files (csv format), with rows for each of the 8 years (2010-2017). The files represent different geographical areas:
  - Chicago, with one record for each year, 8 total records, file named: `eviction_data_chicago.csv`.
  - Community Areas, with one record for each year and each Community Area, 616 total records, file named: `eviction_data_comm_area.csv`.
  - Wards, with one record for each year and each Ward, 400 total records, file named: `eviction_data_ward.csv`.
  - Census Tracts, with one with one record for each year and each Census Tract, 6,432 total records, file named: `eviction_data_tract.csv`.
- Eviction data field definitions document, file named: `eviction_data_field_definitions.pdf`.
- Four census data files (csv format), with rows for both sets of American Community Survey 5-year estimates used: 2006-2010 5-year estimates and 2013-2017 5-year estimates. The files represent different geographical areas:
  - Chicago, with one record for each set of estimates, 2 total records, file named: `census_data_chicago.csv`.
  - Community Areas, with one record for each set of estimates and each Community Area, 154 total records, file named: `census_data_comm_area.csv`.
  - Wards, with one record for each set of estimates and each Ward, 100 total records, file named: `census_data_ward.csv`.
  - Census Tracts, with one with one record for each set of estimates and each Census Tract, 1608 total records, file named: `census_data_tract.csv`.
- Census data field definitions document, file named: `eviction_data_field_definitions.pdf`.
- Three Census Tract crosswalk files (csv format) which map Census Tracts to the other three geographies:
  - Chicago, file named: `census_tract_crosswalk_chicago.csv`.
  - Community Areas, file named: `census_tract_crosswalk_comm_area.csv`.
  - Wards, file named: `census_tract_crosswalk_ward.csv`.
- Census Tract crosswalk field definitions document, file named: `census_tract_crosswalk_field_definitions.pdf`.
